कुठेही पाहिल तरी मला पावलेच दिसतात

## 'Swa'-Roopwardhinee Annual Report 2004

### PREFACE

This is the first ever such Annual Report, in the last 26 years, which we are publishing in the absence of Shri. Krishnaji Laxamn allies Kishabhau Patwardhan; the founder of 'Swa'-Roopwardhinee. While working in a private school as a teacher and then as Head Master, Late Shri. Kishabhau always thought of starting an activity for the integrated development of students, especially from the down trodden strata of the society. His dream for such an activity turned into reality when he started 'Swa'-Roopwardhinee, in the year 1979, immediately on his retirement. He literally nurtured the activity for a period of 25 years.

Due to old age Shri. Kishabhau Patwardhan passed away on 29th July, 2004. He was a visionary. He motivated his students and volunteers, right from the first day, in such a way that the activities of 'Swa'-Roopwardhinee should run smoothly, even in his absence. Now the burden to prove his motive lies on the whole team of volunteers. We are confident that we shall run the activities in the same spirit and also will be able to expand them keeping the ideals of our founder always before us. Rather, this will be a true homage to him.

We are presenting the Annual work Report for the year 2004. We shall be glad to receive your suggestions reactions, if any.

#### Invaluable Contributions of the Commons

-We celebrate the Bharatiya New Year on the auspicious day of Warshapratipada. By organizing chanting of Omkar –Gayatri Mantra in the early hours of the day at 6.00a.m.

Braving cold students/volunteers participate with full enthusiasm. A meeting follows this meditation. The Chief Guest was Shri.Hastimalji. He has devoted his entire life for the R.S.S. work. He is a very knowledgeable and an absorbing orator. By citing various historical instances, he conveyed how common man confronted with challenges behaves and performs extraordinary acts. History is replete with such performance, e.g. the sacrifice of Panna Dai, Runawat Hadi Rani, & Bhamashah of Rajasthan and appealed the students and volunteers to execute such behaviour.

#### The Darkness in the life of the Tribal and The Ray Of Hope

Tribal apathy is our biggest concern, even after 58 years of independence. Tribals have no access to proper food or clothing, and live a miserable life. No wonder they become alcoholic. Wardhinee volunteers visited Jawhar and Mokhada Tehsil to observe and study this problem in November 2004. In spite of various Govt. Programmes, much needs to be done. Fortunately many NGO are now seized with the problem and our volunteers were glad to see their work. They visited and studied the working of the following NGO- Pragati Pratisthan's School for Deaf & Dumb, Warli Chittrakala Kendra, Gramswaraj Samitee-Jawhar, B.A.I.F's Centre at Kelicha Pada, Grammanga Prashikshan Kendra Kosbad, Mukta Shala Prakalp at Aina, Wanwasi Wikas Ashram Talasari, Shantiseva Kendra-Manor, Ramkrishna Math at Sakwar

## Financial Position

The organizers who run NGO are required to fight on many fronts at a time. Defeat or retreat on any front affects the other fronts also, directly or indirectly. The show of a NGO is run on how much fund they collect. Even though funds are collected, the changes in the Govt. Policy has its impact-positive or negative on the running of the NGO. Considering all these factors, if we look into the position on financial front during the year 2003-04, we can say as under :-

We could collect funds to the tune of Rs.21,34,514/-by way of donations, fees etc. This collection of funds helped us to

fulfil our requirement for revenue expenditure.

The total expenditure during the financial year 2003-04 was Rs.25,00,291/-. Out of this, the division of direct expenditure is as under -

Expenditure on Objects of the trust: Rs.14,72,381.08 (72.54%)

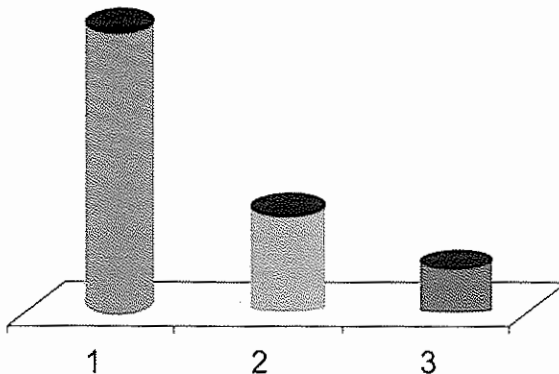

Expenditure on Administration of the trust: Rs. 4,25,437.70 (20.96%)

Expenditure for silver jubilee programmes: Rs. 1,31,973.00 (6.5%)

### Division of Direct Expenditure : 2003-04

- 1 Expenditure on Objects
- 2 Administrative Expenses
- 3 Expenses towards Silver Jubilee Programme

## 'Swa'-Roopwardhinee Annual Report 2004

### An Appeal

Expansion of the work involves increase in expenditure. Inflation is continuously on rise. Voluntary organisations like us, working without any Govt. financial support, face number of problems due to increase in inflation and expenditure. Naturally those who have offered their voluntary services to the organisation have to spare all their energy in raising more and more funds in order to cover the additional expenditure. Of course, philanthropic individuals, industries, trusts and foundations have always come forward with their generous monetary help. It is, however, absolutely become necessary to create a fairly good Corpus Fund to look after the day to day needs of the organisation, as well as for the future expansion.

हीं पावले कुठे बरे जातात ?  
मला याचा शोध घेऊ दे !  
कुठेही पाहिलं तरी मला पावलेच दिसतात  
आकाशाच्या निळ्या मुलायम रेतीत सुद्धा  
पावलांचे ठसे उमटलेले मी पहातो.  
अगदी दूरवर, जेथवर दृष्टी जाते तेथवर.

ती त्यांचा पाटलाग करते  
येथील या हवेत, वातावरणांत,  
तुमच्या-माझ्या बोलण्यात, हसण्या-रडण्यात  
पावलांचे ठसे उमटलेले मला दिसतात.

काही पावलांचे ठसे तर माझ्या हृदयात  
मी जतन करून ठेवले आहेत.  
त्यांची मी पूजा करतो.  
म्हणतो, "कोणत्या वाटांनी तुम्ही गेलात,  
सांगा ना मला!"  
आवाज येतो, "चल, तूही चल पावलांबरोबर"
